

4th ANNUAL NOR-CAL breast cancer connection car show

October 11th, 2026 9am-2pm Redding Elks Lodge

Dear Community Members and Business Owners,

Because the *NOR-CAL breast cancer connection car shows* have been such a success, we will be holding the **4th Annual Car Show** this year. The third annual car show had over 170 cars with a large attendance from the community. All proceeds from the event will go towards NOR-CAL breast cancer connection and their mission of breast cancer awareness. 50% of proceeds will go specifically to the Breast Cancer Detection Fund, helping those that do not have adequate insurance coverage with screening & other diagnostic services. Many individuals have received support from this program this past year.

We ask that you join us in donating to our cause, all donations are tax deductible:

NAME: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP: _____
