

NOR-CAL breast cancer connection

a community effort to promote breast cancer awareness

Breast Cancer Awareness Day
Thursday October 15, 2026

1 IN 3 WOMEN WHO ARE DIAGNOSED WITH CANCER WILL HAVE BREAST CANCER

Nor-Cal Breast Cancer Connection began 30 years ago with the distribution of 500 bags and pink carnations. Known as Nor-Cal Think Pink, our goal was simple; we wanted to educate women about the importance of early breast cancer detection. Now, Breast Cancer Connection has become so much more than we ever imagined. Fulfilling our goal with the community's help has led to many lives being saved. Did you know, since 1989, there has been an overall decline in breast cancer deaths of 43%, according to a 2020 study? We can't wait until that percentage becomes 100%. However, until then, we continue our mission of awareness. Now Nor-Cal Breast Cancer Connection offers more events and activities to promote the importance of early breast cancer detection. As our efforts grow, so does our need for supporters like you!

We have several different opportunities to support our cause. Some of our opportunities include volunteering your time and/or sponsoring our Nor-Cal BCC Calendars, Breast Cancer Awareness Bags, Nor-Cal BCC Golf Classic, 5K Walk/Run, Car Show, or the Pink Sundial Resource Fair. We ask you to consider sponsoring as many of our projects as you can. By sponsoring Nor-Cal Breast Cancer Connection, you'll be helping to save lives and strengthen our organization to continue providing important information and reminders about early breast cancer detection.

VOLUNTEERING

If you would like to volunteer to help with any of our activities and/or events, please go to <https://www.norcalbreastcancerconnection.org/contact/> and select "I want to be a volunteer", under Reason for Contacting. You can volunteer for as little or as much as you would like. We need volunteers to help with counting calendars, stuffing bags, handing out breast cancer awareness bags, event planning, event coordinating, event set-up, event tear down, and general event support.

YOU can help, YOU can save lives, and YOU can make a difference!
